### About the Instructor:

Dr. Shaana Berman is an accomplished early childhood development specialist and educational consultant in the Los Angeles area. Since 1998, Dr. Berman has worked in both **private** and **public** settings to **teach** academic skills, **reduce** maladaptive behaviors, and **increase** functional and social skills among a variety of populations including but not limited to: students with autism spectrum disorders, ADHD, cognitive delays, genetic syndromes, processing disorders and physical disabilities. Her philosophy is that **all children can learn**, given the right type of **supportive** instructor.
