

Odysia Learning is an online learning platform that offers customized e-consulting and virtual courses accessible to you anywhere in the world. Designed by experts from top tier U.S. institutions, our programs are focused on enhancing the quality of your life. Subject areas include Autism and Early Childhood Development, U.S. College Admissions, Career Development, Business and Entrepreneurship.

Individualized Distance Learning offered by Outstanding U.S. Trained Experts

Odysia Learning offers learning tools to support every stage of your life. We stay with you on your journey from pre-school to career, offering **self-paced courses** and **personalized e-consulting services** spearheaded by our distinguished Knowledge Experts and certified by an accredited U.S. university. Our mission is to help you strategically achieve transformative growth in targeted areas of your life.

 Odysia Learning's **Early Childhood Enrichment and Autism/Special Education Program** offers unique and comprehensive lesson plans and customized **teacher and parent training programs** to accelerate your child's progress. We specialize in academic **skills development**, play and social skills, communication, **behavioral intervention**, and early intervention for children with autism spectrum disorder and other disabilities.

 Odysia Learning's **College Admissions Program** keeps you up-to-date with the latest trends in **U.S. undergraduate/graduate programs**, and their admissions and financial aid processes. We steer students towards the institutions and areas of study that best meet their goals, interests, and needs. Our services include **academic counseling, application development** and review, **financial aid** application guidance for U.S. universities, and outstanding **proofing and editing services** to help you polish up your personal statements, **essays**, dissertations and other documents.

 Odysia Learning's **Career Development Program** benefits you whether you are struggling with current concerns or simply looking for the next step on your professional journey. We are able to offer customized career-consulting programs for each individual that include **resume development, practice interviews** over Skype, development of professional profiles, and one-on-one **mentoring** in subjects such as **work/life balance**, polishing your job search skills and **networking**.

 Odysia Learning's **Entrepreneurship Program** is dedicated to enhancing the spirit of entrepreneurship all around the world. Our consultants are well versed in all stages of **business ownership**, able to guide you from developing your **business plan** to devising a **viral marketing strategy**. We advise on business development and strategy, planning, growth, **operations**, digital marketing, and more.

- **Learning focused e-consulting services, activities, and classes** in a myriad of exciting disciplines to choose from.
- Our **e-consulting services** incorporate **reading materials**, discussion **forums, quizzes**, and progress **reports** to ensure that you learn and make **progress** simultaneously, enabling better long-term decision making.
- Unique **one-on-one sessions** with our top-notch teachers and consultants ensure a personal approach resulting in a learning style that fits you best.
- **Free reading materials and quizzes** designed by our passionate and dedicated team of educators to enhance your learning experience.
- Fascinating **blogs and discussion forums** that stimulate a global community of online learners, including topics such as strategies to develop a stronger work ethic.
- **Freedom** to participate from anywhere, anytime, **24/7**.
